STEP ONE:

Driving from Bratislava towards Dunajska Streda, **do not** take the first exit "Dunajska Streda", keep on the main road (shown by the green arrow).

STEP TWO:

Follow the green arrow (the red line on the upper map).

STEP THREE:

After passing the bridge, turn left at the first cross-section. Then take the very first right onto a small street (just before the first factory on the street). This street turns left, and you will see in front of you the entrance to c2i (grey gate).

We wish you a pleasant journey !
